

Negroes belonging to Genl Campbell
disposed of thus Isaac left and
went to Kansas about the 10th of March
1862, at the time was hired to Ranover
later Bill left about 15th March 1863

The others Jarrot Mary Phillis & Mariah all
left the 9th of May 1863 with the 13th Kansas
and all went to Kansas, when they are
yet. Isaac Bill & Jarrot are said to
be in the 1st service. 13th Kansas

Since 1860 they have done no good when
with me they would not work, and when
brought out would quarrel and do no work
They have barely earned me some
tokens & medical bills and the last eight
months before leaving over an expense.
